MEMORANDUM

TO: Counsel of Record

FROM: Judge Peter J. Messitte

RE: United States v. Lisa Popeck
Criminal No. PJM 09-149

DATE: January ²²__, 2016

* * *

On October 20, 2015, the Court issued a Memorandum Order in response to Defendant Lisa Popeck-Zisserson's request for an adjustment to or termination of her restitution obligations. ECF No. 80. In that Order, the Court directed Ms. Popeck-Zisserson to file certain financial documents and a sworn affidavit with the Government within sixty (60) days of the Memorandum Order to substantiate her claim of financial hardship. *Id.* On January 6, 2016, the Government filed correspondence with the Court, advising that Ms. Popeck-Zisserson had not submitted financial documents or a sworn affidavit to the Government within the time period required by the Court's October 20, 2015 Memorandum Order. ECF No. 81.

Given Ms. Popeck-Zisserson's failure to substantiate her claim of financial hardship and comply with the Court's October 20, 2015 Memorandum Order, the Court hereby **DENIES** her request for adjustment to or termination of her restitution obligations.

Despite the informal nature of this ruling, it shall constitute an Order of the Court and the Clerk is directed to docket it accordingly.
